Successful outcomes and resolution are very common, with confirmation provided to Students in writing within 5 working days.

Formal (Internal)

- 3.2. Should students feel that they have not reached a resolution with the Informal process, the students can then move to the formal process.

- 3.4. Management or Students Support Officer will write to the complaint within 5 working days acknowledging receipt of complaint.
- 3.5. Students will then be requested to attend a meeting to resolve the complaint. The student is informed that they may be assisted or accompanied by a support person of their choice at the meeting and that they will be given the opportunity to present their case.
- 3.6. The meeting is held and the complaint heard. This meeting is attended by appropriate Staff and Management. (Minimum of two staff in attendance – one will always include a Manager or CEO) and support person of student if so required. Additional supporting documentation can be presented by the student.
